Work Experience

Mirani Homes

Asst. Contractor

June 2023 – Sep 2023

Burnaby, B.C., Canada

- Communicated between different home building crews to understand their timelines, address issues, and schedule between them to progress towards a deadline
- Met with inspectors discussing issues and future plans, worked on getting permits approved and staying up to date with the code
- Worked independently to handle small tasks that could cause hindrance and push projects off schedule
